

A Little Good News

Dear Pax Christi,

Since it appears that the current restrictions pertaining to no public Masses are going to continue for some time, we have been considering some steps to make our church available for **PRIVATE** devotions.

Therefore, we want you to know that beginning on Thursday, March 26, the church will be open from 9AM until 2PM every day.

However, we have to insist on these guidelines.

- Please keep quiet in church.
- The downstairs & offices remain closed.
- Please keep the proper distance between each other, at least 6 feet.
- Please use the hand sanitizer as you enter church.
- Please wipe down your pew before and after use.
- **Please**, no gathering in the lobby or outside.

As long as we all follow these simple guidelines, this should go well and we will be able to continue.

However, please allow me to say this. It is people's natural instinct to want to gather and to greet each other – to interact. But if people begin to break these guidelines and gather and talk, then we will have to close the church again.

So please, enjoy and be blessed. Take care of one another. And be well.
