Knight of Columbus 40 cans for 40 days project update

While we are unable to be together our ministry to those in need continues. The non-perishable food that we have already collected has been gathered along with non-perishable, unopened food that we have accumulated in our pantry and non-perishable food purchased by our Men's Group. These items have been distributed to God's Pantry, Chrysalis House (see pic of Chrysalis House Staff receiving food) and to Catholic Action Center (see pic of Matt with food being taken). Please consider continuing this good work by making your own donations to these organizations that continue to help those in most need.
