Hello Pax Christi!

## NO MASS SIGN UP REQUIRED!

Please feel free to come to any Mass without needing to sign up first.

When we first began having Mass again, we realized that, due to safety precautions, there was a limit to how many people could attend any one Mass. Our main concern, other than safety, was to not have to turn anyone away.

We asked people to sign up for a particular mass so we could monitor the numbers.

For now we are nowhere near reaching capacity attendance. Therefore, for the time being, we realize that it is not necessary to have sign ups.

As we begin to get closer to maximum capacity we may have to re-institute the sign up process. Actually, let us all pray that that day may come soon. But for now we can relax and attend Mass without having to sign up first.

Be well,

*Fr. Pat*
