

Return of *Summer Neighborhood Home Masses*

We all know that “The Church” is not just the brick and mortar building but rather the people who make a community of Catholics. One enjoyable way that I have found to recognize and celebrate this is to have Masses in some of the various neighborhoods of our parish. The summer and early fall months are a great time for this. Family, friends and neighbors can gather at a parishioner’s home for socializing and for Mass.

I would like your help in scheduling a number of these neighborhood Home Masses on Wednesday’s at 6:30 PM from July through September. I would like to have at least one Mass in each of the general regions of the parish. Below are listed the various regions as well as what would be expected of the host family.

Various regions of the parish – *But anybody can come to any Mass*

West of Nicholasville Rd & north of Man o War
West of Nicholasville Rd & south of Man o War neighborhoods
East of Nicholasville Rd & north of Man o War
East of Nicholasville Rd & south of Man o War
Cumberland Hills
Jessamine Co.

Hosts

Simple hospitality – lemonade and cookies
Cool, shaded backyard
People bring chairs and blankets.
Kids welcomed and encouraged
In case of rain, can you take 15 to 20 people inside?
Fr Pat brings everything needed for Mass; wine, hosts, cups, missal, etc.
We would have to print your address and phone number in the bulletin so that people can contact you to get directions and to help you know how many people to expect.

Would you like to be a host? It would bless your home. And you would be a blessing to all who would attend!

Please call the church office with any questions or to offer to host a Mass. 859-273-9999.

Thank you for your interest and attention.
