### **It's a Scam!!!**

We have received notification from several parishioners that they have received emails and messages from Fr. Larry Hehman and that these include Father Larry's picture. Please be advised that Fr. Larry has not been reaching out to our parishioners. We also have learned that at least one parishioner has received a fake text message that appears as if it is from Father Pat asking for assistance. It is not. Scam artists pull pictures and selected information from the internet [i.e., Facebook, websites, YouTube] and send out bogus requests for phone calls, texts, financial assistance or even offering financial assistance. This is their attempt to connect with your devices to obtain your information.

Please note - Fr. Larry does not use text messaging and he does not send requests to our parishioners. Always look closely at email addresses before responding. Fr. Larry's email is [lar4u@hotmail.com](mailto:lar4u@hotmail.com) and that email has been sent out to our parishioners and posted on our website and Facebook page to contact for confessions. All other parishioner needs should come through our office.

In case of emergency please contact Melissa at 859-333-9926.

Melissa's email is [mholland@cdlex.org](mailto:mholland@cdlex.org)

Fr. Pat's email is [pstewart@cdlex.org](mailto:pstewart@cdlex.org)

We are so sorry that you are receiving these bogus emails and texts. Just please be careful and do not respond in any way. At any time, you have a question about the validity of the information you are receiving from a priest or other parish personnel please call the office at 859-273-9999 to verify the information or contact Melissa.
